<p>Asia is estimated to gain over 1 billion people by 2050. The population of Asia is projected to reach 5.2 billion by 2050, up from 4.5 billion in 2015. This growth is driven by a combination of factors, including a high birth rate and a young population. In 2015, 60.3% of the world's population lived in Asia. Visiting America!

Ready or not, here we come - this summer will be our first time of furlough ministry! Our many flights to bring us back to America begin early on June 8. We are so excited to be with you all over the next 3 months! Please pray for us as we have over a dozen church/group presentations to give and at least 6 states to

visit (see sidebar to the right for details). Our family will need your prayers for strength and endurance as we attempt to overcome jet lag quickly and travel many miles to share about our ministry in Asia. Please [email Rachel](#) if you would like to get together with us while we're stateside as our schedule is filling up quickly!

Kid Connection

Our kids are looking forward to being in America over the summer! We are blessed with many wonderful friends who want to connect with them, but we know sometimes it can be hard to

know what to say or ask. Below are 5 questions our kids told us they are excited to answer if you're seeking to connect with them.

- What is your favorite thing to do in Thailand?
- What is your favorite thing to eat in Thailand?
- What kind of animals are there in Thailand?
- What are the people like in Thailand?
- What are you excited to do while you're here in America?

Preaching and Teaching Opportunities

This month was busy as Greg preached or taught 8 times over the month in addition to his responsibilities with ABTS! We're grateful God gave Greg opportunities to teach on Judges and Wisdom Literature this month! It's always a blessing to see people come to love and understand the Old Testament more.

One of our goals over the next 3 months is to raise our support back up to 100%! Our health insurance went up in January and a few supporters have no longer been able to give, so we need \$260 more a month to be fully funded again. Please begin praying that over this summer God will raise up individuals or a church to become committed supporters to meet our financial need.

Praises and Prayer Requests

Thank you so much for praising God with us and praying for our needs. Please email us with any prayer requests you have so that we can be praying for you as well!

- 1) Praise God that Greg was able to teach from the Old Testament 8 times this month!
- 2) Please pray for our travels to America to go smoothly, and for us to have strength and endurance as we attempt to overcome jet lag quickly and travel many miles to share about our ministry in Asia.
- 3) Please pray that over this summer God will raise up individuals or a church to become committed supporters to meet our financial need of \$260 per month.

Thank you so much for all of your love and support!
