**Video Update**

Due to the fact that we aren't able to furlough this summer, we decided to make a 5-minute video for you all highlighting what we've been up to over the past two years. The video shares the various ministries we've been involved in and the kids give updates on how they're doing too. Click above to watch it!

## Feeding the Hungry

With our second intense lockdown in Thailand, the needs of people who survive on day-to-day incomes has drastically increased. Some Thai people make just a few dollars a day so when they are unable to run their food stalls or small business due to Covid restrictions then this means their families go hungry. This month we coordinated a food giving project to bless some of the hurting people in our community. Our home became a food pantry, overflowing with bags of rice, eggs, canned fish, oil, noodles, coconut milk, and more. In each bag of food we placed a tract in Thai that clearly explains the gospel, and as the food was handed out people were told about the love of God. We also helped prepare and hand out hot meals for hundreds of people. Please pray for these food gifts to tug on peoples' hearts to learn more about our God who deeply loves them.

## Youth Girls Summer Bible Study

Over the summer Rachel will be leading a Youth Girls Bible Study in our home each Tuesday night! The high school girls will be studying *Lies Young Women Believe* with Rachel, and the middle school girls will be studying *Lies Girls Believe* with our middle school leader. Please pray for the girls' hearts to be transformed by the truths of God's Word.

## Upcoming Wisdom Literature Class

Greg's Old Testament Biblical Theology class just ended and his upcoming Wisdom Literature class starts in just two weeks! This class will have an online element, but ABTS is also currently planning to hold one week of Greg's class face-to-face at the ABTS office. This will be the first in-person class we've had since Covid started, and we're planning on livestreaming the class as well. Please be in prayer that the class will go well, especially for those who are joining via livestream.

## Support Needs

We are currently \$250 under-funded each month. Please pray that God would provide for this need even though we can't be in America this summer to share about our ministry with individuals.

If you're currently one of our monthly financial partners, we would like to ask for you to please prayerfully consider increasing your monthly giving, and if you're not a current partner we would be so

blessed if you would prayerfully consider becoming one. You can follow the link below to register to become a monthly supporter or you can email [donorhelp@abwe.org](mailto:donorhelp@abwe.org) to increase your monthly giving. If you become a partner or increase your monthly gift, please be sure to send us an [email](#) letting us know too because we don't get automatic notifications.
