## One Year Cancer Free

Praise God Greg had his CT Scan done this month and he's officially 1 Year Cancer Free!

## Wisdom Literature Class

The online portion of Greg's Wisdom Literature class has been going well! The students have been learning introductory material for Proverbs, Ecclesiastes, and Job. This will allow in-class time to cover content with more depth. So far they've been doing great! Please be praying specifically for July 19-23 as this is when the students will meet in-person (for those in Chiang Mai) and online (for those outside of Thailand) for 4 hours a day for some live teaching time with Greg. Please pray for Greg and his students as they explore the wonderful truths found in Proverbs, Job, and Ecclesiastes.

A video thumbnail for the Wisdom Literature Class. On the left is a small video window showing Greg. To the right is a slide titled 'STRUCTURE' with the following content:

- 1-9: Discourses
- 10-29: "Normal" proverbs
- 30-31: The Proverbs Ideal

The slide also features a gear icon and a yellow vertical bar on the right. At the bottom left of the slide is the logo for Asia Biblical Theological Seminary, Cornerstone University.

# Greg Preaching

Our pastor is out of town, so Greg was asked to preach on June 20, June 27, and July 4. Greg's doing a mini-series on the lives of Abraham, Isaac, and Jacob. Due to Covid restrictions his messages are videoed and livestreamed. You can view the first two sermons by clicking the links below. Please pray for Greg's final sermon which he will preach this Sunday, July 4.

The first sermon was about how our amazing God works in spite of us. Abraham was told to leave his family yet chose to bring Lot along (which caused some problems for him later on). Abraham was told God would provide him with an heir yet Abraham tried to "help" God via his relationship with Hagar (which again caused problems). Abraham even lied about his wife and gave her to other men. Such a flawed man, but praise God He is faithful when we're at our worst. God works in spite of us, not because of us. We need to wait on God and trust in Him.

The second sermon was on the binding of Isaac and how it showed Abraham's growth in faith to trust God fully. Because God had told Abraham that the promises would come specifically through Isaac, Abraham knew that somehow Isaac would survive. Hebrews 11 tells us that he even believed that God might raise Isaac from the dead! Because Abraham knew that God was faithful to his promises, he was able to act in faith. What do you need to believe God about right now? Know that we can take steps of faith because we know that God will be faithful.

## Middle School Retreat

This month we coordinated a Middle School Retreat for 40 international teens ages 11-14. It was a really special time of teaching, worship, and connecting with them. Please pray for the teens to remain strong in decisions they made and for the deeper mentorship relationships we formed with them to stay strong throughout the upcoming school year.

# Girls Summer Bible Study

Tuesday nights Rachel is leading a Youth Girls Summer Bible study at our home! There are 21 girls coming regularly - 8 high school girls and 13 middle school girls. Rachel is leading the 8 high school girls in studying *Lies Young Women Believe*. Amongst the high school girls some really intense topics have come up including sexual orientation and identity, sexual abuse, anxiety, depression, and more. Our teen girls are working through a lot of issues. Please be praying for Rachel as she points these girls to God's truth!

## Financial Update

Praise God this month we gained the needed \$250 in support! Also, a church missions committee is meeting on July 18 to discuss taking us on as missionaries, so please pray for the committee to have wisdom as they consider partnering with us. We're so grateful for God's abundant provision for us!
