Empowering the Church in India

God is doing amazing things at the ABTS Delhi site! [Click the video to the right](#) to get an inside look into the incredible work God is doing in India through ABTS!

One of the things that drew us to the ministry of ABTS is the desire to raise up well-trained, Biblical leaders that will have an exponential ministry as they pass on the tools that they have received. One of the greatest places with this need is India - with a population of over 1 billion people, Christian leaders are desperately needed! This year the first class of students at the ABTS Delhi (India) site graduated and included not only pastors, but also lay leaders that work in the secular world. Though one of the newer ABTS sites, it is also one of the largest! It is exciting to see students leave with training that they can pass on to their churches. Those people will then pass it on to those in their spheres of influence. It is our prayer that through these students the church in India will be strengthened and empowered by standing strong on God's Word!

If you want to read more about the ABTS Delhi site, ABWE's magazine, *The Message*, did a short article on the recent graduation, which you can read [here](#).

Traveling North & East

This past month we've traveled northward twice to present to churches in Michigan. We had a chance to present at Snow Bible Church in Kent City, MI and then two weeks later we spoke at Heritage Baptist Church in Manistee, MI for their missions conference. During these times we were blessed to experience the hospitality of God's people and also got to see the excitement people have for equipping ministries such as ABTS!

We are currently in Long Island, New York sharing with churches and individuals. We will be on the East Coast for 12 days, our longest fundraising trip ever, so please be praying for safe travels and stamina for us during these busy days.

FINANCIAL UPDATE

MONTHLY PARTNERS

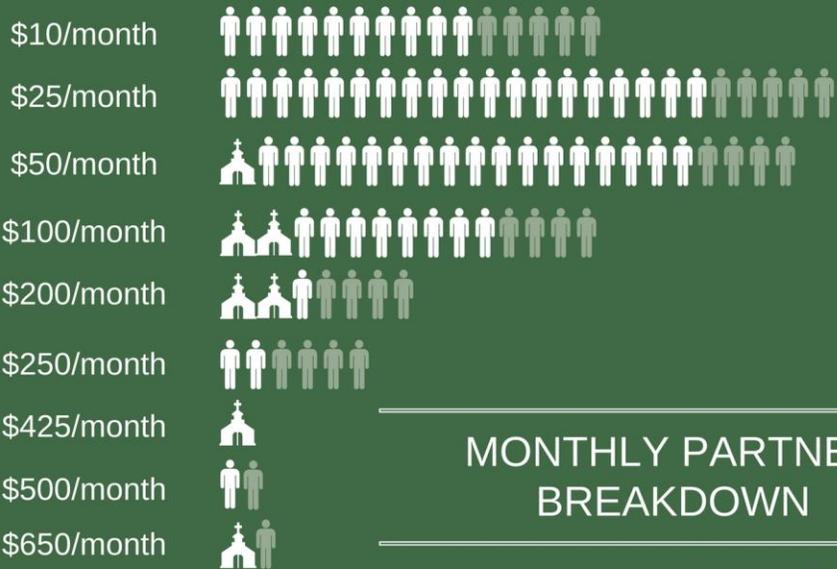

ONE-TIME COSTS

of \$9,073

of \$59,800

MONTHLY PARTNER BREAKDOWN

As of 10/1/16

This month we've gained supporters, but also raised our support level. Due to Isaac's kidney condition, we are planning to return to the US for a short furlough every two years rather than doing a one-year furlough every four years. This means that we must pay for the expensive flights to get our family back and forth more often, which has caused our support needs to go up a little each month. If you would like a detailed breakdown of our monthly support needs budget, please email us and we would be happy to send it to you.

Praise the Lord this month we were blessed with 2 new individual financial partners, and we're 57% funded! We are so blessed to have individuals partnering with us at all different levels - from \$10 a month to \$500 a month. Would you consider becoming one of our financial partners too?

Praises and Prayer Requests

- 1) Praise God for the work that He is doing in India! Please pray for the ABTS Delhi site as it continues to grow and as the students go out to impact India!
- 2) Praise God for blessing us with more church and individual presentations this month! Please pray for our family to have strength and energy as we continue traveling to share about our ministry.
- 3) Praise God for blessing us with 2 new individual financial partners! Please pray for God to continue to work in the hearts of churches and individuals to partner with our ministry in prayer and financially!

Thank you so much for all of your love and support!
