A few days ago Rachel and I were in the hills of Pennsylvania driving home from ABWE Pre-Field training when I commented, “It’s like graduating from high school. It’s exciting to have completed all the steps we needed to become official ABWE missionaries, but now the real adventure begins. It’s the end of the beginning.”

We are so excited to have you all with us at the end of the beginning! After submitting 40 references, dozens of personality/marriage/doctrinal tests and interviews, and ten days of pre-field training, we were thrilled to officially be appointed missionaries on July 17, 2015!

financially! We must raise \$8,785 in committed monthly financial support and \$34,800 in one time gifts.

We are so looking forward to sharing God's faithfulness with you all as our Jehovah Jireh works in people's hearts to partner with us in spreading the gospel in Asia. It's going to be amazing watching these pie charts go from 0% to 100% funded as God provides over the coming months!

If you're not familiar with exactly what our ministry will be like then we would love for you to watch this five minute video put together by Asia Biblical Theological Seminary (ABTS) explaining their vision and the impact ABTS is having in Asia.

Thank you for being with us on this journey! We are so blessed to have each of you in our lives praying for us at the end of the beginning!
