## One Year in Thailand Video

We've been in Asia one year now! As we enter our second year of life and ministry in Thailand, we wanted to give you all a glimpse into some of the ways we've been able to serve God this year as we seek to train leaders in Asia! We couldn't be here without your prayers and financial support, so as you see the ways God has enabled us to serve please know that YOU are very much part of making these ministries possible! Click the link the video link above to see our 5-minute year in review!

## One Year Visas Approved

Praise the Lord - our 6 passports have visas that are good until August 3, 2019! As we mentioned before Greg's interview for our 1-year visa was a little more intense than expected, but God's hand of favor was on the process and after a few hours at immigration our family received our 1-year visas so we're all set for our next year in Thailand!

## Abbie's Toe Injury

This month our sweet Abbie girl got 5 stitches on her big left toe after her bike slit it open and scraped a deep chunk of skin off. It was a nasty, odd sort of cut so we had to go back to the hospital at regular intervals for a week so the doctor could evaluate her skin and make sure the wound was healing properly. Abbie and mama were "wheelchair buddies" for a week while her toe was too tender to put weight on her foot. Thankfully Abbie healed well and is back to her normal activities again.

## Financial Update

Praise the Lord that we are now 100% funded again! We are thankful for the way God provides for us to serve through the generosity of His people!

## Praises and Prayer Requests

Thank you so much for praising God with us and praying for our needs. Please email us with any prayer requests you have so that we can be praying for you as well!

- 1) Praise God for a successful 1st year of ministry in Thailand and that our family received our 1-year visas! Please pray for God to bless our 2nd year of ministry in Asia.
- 2) Praise God Abbie was able to receive great medical treatment in Thailand and has recovered well from her toe trauma!
- 3) Praise the Lord that through the generosity of His people we are 100% funded again!

Thank you so much for all of your love and support!
