

Aslan is on the Move

"I've come at last," said he. "She has kept me out for a long time, but I have got in at last. Aslan is on the move. The witch's magic is weakening." - Father Christmas, *The Lion, the Witch, and the Wardrobe*

This month the Lion of Judah has clearly been on the move! Our survey trip is "immeasurably more than we could ask or imagine" funded! We asked for God to bring in the needed \$4,500 for our survey trip by October 15th, and 36 hours before that date Jehovah Jireh answered our request! Since then we have continued to receive additional gifts pushing us far above what we needed to make this trip possible!

This month we also received an extremely generous gift of \$3,000 from a special couple which will help cover all of our startup expenses (i.e.

printing information packets, prayer magnets, table display, travel costs, etc.). Isn't our God an amazing provider?!?!

Additionally, this month we also gained 5 new committed financial partners! A financial partner is an individual who commits to giving toward our ministry on an ongoing basis (either monthly, quarterly, or annually). This is currently our greatest need, so this was a huge blessing!

One of our new monthly financial partners is a sweet 87-year-old woman that God just "happened" to bring into our path for a few hours during one of our home visits. She heard our presentation and promptly signed up to be a monthly financial partner at \$25 a month!

One of our survey trip donations came from an 11-year-old girl who asked her mama if she could personally give a special gift towards our ministry.

It has been such a blessing to see God moving in the hearts of young and old to get our family to Asia! Aslan is on the move!

Church & Home Visits

This has been a busy traveling month for our family! We were out of state 3 weekends in a row sharing our ministry with churches and individuals in Ohio, Indiana, and New York. We gained 14 more prayer partners and all 3 churches are considering supporting us financially.

We also had 15 home visits and gained 5 new financial partners this month! A home visit is when we have the privilege to meet with friends individually or in small groups to personally share about our ministry and how they can partner alongside us financially as we head to Asia. Most missionaries on the field today are supported primarily by individuals. One couple committed to giving \$250 a month and another will be giving \$25 a month! There is a place for everyone in expanding God's kingdom in Asia!

Isn't it amazing that individuals in America can be part of the work God is doing with people thousands of miles away on the Asian continent while you all serve God where He has called you in the States? Good Soil Evangelism & Discipleship

Good Soil
Evangelism & Discipleship

Training and Resources for Sharing God's Story of Hope in a World of Competing Faiths and Cultures

On October 21st Greg attended the "Good Soil Trainer Certification Workshop" at ABWE headquarters in Pennsylvania where he became certified to lead basic "Good Soil Evangelism & Discipleship" seminars. In July we both attended the basic seminar where we learned how to use *The Story of Hope* and *The Way to Joy* to have effective evangelism-focused Bible studies with non-believers and new believers. We're excited for Greg to be able to teach others how to do effective evangelism and discipleship! One of our training requirements is for each of us to lead an unbeliever through *The Story of Hope* and disciple a new believer through *The Way to Joy*. We are currently praying for God to bring an unbeliever and new believer into each of our lives who will be willing to study these two books with us.

Survey Trip: 100% Funded!

Praise the Lord our survey trip is fully funded and we have purchased our plane tickets to Singapore, Bangkok, and Chiang Mai! Christian, Abbie, and Isaac will be staying with Greg's parents, but our little Hannah will be coming with us. We're so excited to visit these cities January 20-30 to select which sight we will be based in while serving in Asia and for Greg to see ABTS headquarters and classes in Chiang Mai. We're looking forward to learning a lot about our future ministry during this trip! Praise God for providing for this special need!
