Hospitality Ministry

This month we've had the amazing blessing to host a lot of people! For two weeks we hosted a sweet 17-year-old boy whose parents are missionaries and needed to travel out of Thailand to do ministry in Vietnam and Nepal. He was such a joy to have, and it was fun to have three teenagers in the house for half of June.

We're also currently hosting a wonderful missionary family of 4 from a nearby country for two weeks. It's such a joy to have them with us to laugh, eat delicious meals, swim, and play games together. We're going to miss them when they leave us in a week!

In addition we've been hosting over 30 teenage girls for a Bible study on Tuesdays and our small group Psalms study every other Wednesday. Even the Vruggink kids have been getting in on the hospitality action by pet sitting a dog and fish for two different families who have been traveling. Our home has been joyfully full this month!

Ministry of ABTS Expanding

There are many new opportunities developing for ABTS teaching sites, including new sites in India, Papua New Guinea, and possibly even Nepal. Pray for these opportunities, specifically that God would open the way for us to operate legally in these locations and that He would provide students who could benefit from our classes.

Greg Sermon Preparation

This month Greg's been asked to preach twice at two different churches. He'll be preaching on July 3 at our local international church on the book of Habakkuk. He'll be sharing about having hope when the world seems to be falling apart. On July 12 he'll be preaching at another international church on the book of Ecclesiastes. He'll be sharing about living wisely in a broken world. Please be praying for Greg this month as he prepares for these two preaching opportunities.

Rachel Leading Ruth Study

Rachel's been leading a Tuesday night Bible study on the book of Ruth for our youth group girls! She was blown away when over 30 girls signed up to join - the largest group she's ever had! The middle school girls meet in the living room and the high school girls meet in the dining room. We had to add a table and purchase more chairs for the dining room, but what an amazing "problem" to have! The girls have been discussing rich truths from God's Word as we see His guiding hand and graciousness to use an ordinary woman to have an impact on God's Kingdom. Please pray for the girls to grow spiritually and for their mentor relationships with Rachel to deepen.
