PhD Dissertation Writing

Greg's days this month have been filled with writing, writing, and more writing! The complete rough draft of his 400-page dissertation will be turned in on September 15. After this Greg will have several months of working with his PhD advisor on revisions so the final draft can be submitted by January 15. Please pray for Greg to have perseverance this month as he finishes up this important work that's required for him to continue to serve as the Old Testament professor at Asia Biblical Theological Seminary.

International Youth Group

This month we kicked off the 2022-2023 school year with our youth group teens! We had over 60 youth at our first youth group and over 40 youth at a game night at our house. After 5 years of doing youth ministry here our relationships with the teens are really starting to deepen and it's such a joy to be able to pour into these teenagers each month.

Also, this month Christian and Abbie started a Friday night Teen Bible Study for their friends. Over the summer Christian and Abbie expressed a desire to go deeper into God's Word with their friends, so on Friday nights this semester they and their friends have divided up the book of Philippians into 10 parts and are taking turns studying and leading a discussion on each passage. It's such a joy to see these teens desiring to spend their Friday nights studying God's Word together.

Chiang Mai Homeschool Co-op

This Monday, September 5 the Chiang Mai Homeschool Co-op will resume! Rachel and another mom coordinate 37 families and 100 kids taking 3 extracurricular classes every Monday morning. It's a huge task to get the classes, rooms, supplies, and teachers all situated. Rachel also redid the entire [co-op website](#) this summer. There are many families who do not know Jesus who attend the co-op, so please pray for Rachel and the other Christian families to shine brightly on Monday mornings!
